1. I understand [REDACTED], is being reassigned and will no longer have responsibility for setting up the Mission Highlights briefings for the bi-weekly COMIREX meetings. 2. [REDACTED] set very high standards for himself and for the briefers and items he presented to COMIREX. Members and others at these meetings frequently commented on the value of the briefings to them and on the high caliber of the materials and the presentations. [REDACTED] was always responsive to requests for special emphasis on specific items and was understanding and helpful when it was sometimes necessary at the last minute to delete or compress items. At all times he was an effective representative of the Center.

3. It was a pleasure, personally, to work with [REDACTED] and I hope you will convey to him my appreciation and that of the Committee for the services he rendered and pass on our best wishes in his new assignment. I would request also that this memorandum be made a part of [REDACTED] official personnel file.
